V shlyape strausinoe pero  
On hvataet shpagu  
I ceplyaet ee pryamo na bedro

On glyadit v svoyu ladon  
On prishel izdaleka  
I proshel cherez ogon

Sasha betsya na dueli  
Ohranyaya svoyu chest  
Shpagoi kolet on vraga  
I predlagaet emu sest  
On gonyaet negodyaev  
Hvorostinoi, kak korov  
Sasha razdaet krestyanam  
Negodyaiskoe dobro

Master slova I klinka  
On glyadit v svoyu ladon  
On prishel izdaleka  
I proshel cherez ogon

Damy bez uma ot Sashi  
Sasha bez uma ot dam  
V polnoch Sasha lezet k damam  
A uhodit po utram  
Damy iz vysokih okon  
Brosayut lepestki  
On borec za spravedlivost  
I shagi ego legki

Master slova I klinka  
On glyadit v svoyu ladon  
On prishel izdaleka  
I proshel cherez ogon

On poet pod mandolinu  
I krasiv, kak Apollon  
Po latyni Sasha mozhet  
Govorit, kak Ciceron  
On ne znaet, chto takoe  
Nepristupnaya stena  
Sasha vzglyadom na ohote  
Ubivaet kabana

Master slova I klinka  
On glyadit v svoyu ladon  
On prishel izdaleka  
I proshel cherez ogon
