

# Kira, 2 Hearts

Out of dreams into my life  
sweetest thing we need blue sky's  
as we date across the borderline  
every breath, a touch, a thousand smiles

Here in this life we are 2 hearts on fire  
the light of my life is what you are  
right here to night  
we are 2 hearts on fire  
a breath of life thats what you are

2 hearts  
oh yeah, oh yeah  
2 hearts  
oh yeah, oh yeah

a touch of hands, 2 words gelid  
time stood still for you and I  
as we date across the borderline  
every breath, a touch, a thousand smiles

Here in this life we are 2 hearts on fire  
the light of my life is what you are  
right here to night  
we are 2 hearts on fire  
a breath of life thats what you are

Here in this life we are 2 hearts on fire  
the light of my life is what you are  
right here to night  
we are 2 hearts on fire  
a breath of life thats what you are
