

Kirk Franklin, Unconditional

Spanish:

I want everyone to stand up,
Help me praise the Lord. Yeah!
I want to hear you!
I give thanks to the Lord
Lift your hands in the air like crazy
Because He is deserving
No other can compare
My God, the glory is yours

When I think
of the things that you've done
and the way
you've shown me your love now i know
it's got to be real how i feel
sent from above
Jesus you
my strength when i cannot go on
the light when my sunshine is gone
i'm so glad i know

Chorus

All my people in the world
holla back
God's love
holla what
unconditional
if you ain't ashamed holla back
God's love
holla what
unconditional
24/7 it won't change
remember God's love
remains the same
all my people in the world
holla back now
holla what
unconditional

Spanish:

If you didn't hear my the first
time, here goes...one more time
i want everyone to stand up,
the whole world, help me
praise the Lord

Repeat Verse

Chorus
