

# Kiros, Justen Other Day

you blow me away  
shaken i awaken to find another day  
you startle me  
motivation declaration i say  
i say i believe  
cause when i think about the chances that i've blown  
i swear i'll never fail again  
and when i think about the things that i've been shown  
this secret i just can't retain  
if i had a quarter for every time i walked away  
said today's not the day it will still be okay  
i'd be rich in money poor in what counts  
the world offers trivial amounts
