

Kiros, Run

you can only run for so long before you collapse
you can only fight so hard before its relapsed
when you fall down who'll pick you off the ground?
when you've burned every bridge along the way
if i could take my eyes off of myself
i wonder what i'd see
difference in my perspective and reality
i will not be the one to fall
i will be strong i will stand tall
i've never felt this free before
opened my eyes you opened the door
for the first time
i feel fine
i feel alive
for the first time
it's all right
i feel alive
i will not run away from you
i'll do what you ask me to do
i will not be the one to fall
i will be strong i will stand tall
i will not run
i will not hide
i will not keep this inside
i will not run
i will not hide
i will not keep this inside
