

Kirsten Dunst, Pocketful Of Dreams

I'm dreaming of a boy,
a very special guy.
I wish that I could pluck,
a fairy from the sky.
To cast a spell upon,
my pride and joy.
I'm dreaming of a very special boy.

I'm dreaming of a boy,
a very awesome dude.
I wish that we were close,
when he is in the mood.
I'd like to be his sweet midsummers toy!
I'm dreaming of a very special boy.
