

Kirwan Danny, Wings Of A Dove

Walking under the moonlight
Walking under the stars
Thinking thoughts of you babe
Wonder where you are
Looking over the mountains
Looking over the skies
Dream a dream of tomorrow
Only love tells me why
You're my heart's desire
You're the end of the love
Reaching out to the fire
Fly on the wings of a dove
Dove...dove...dove...dove
Walking under the moonlight
Walking under the stars
Thinking thoughts of you babe
Wonder where you are
Looking over the mountains
Looking over the skies
Dream a dream of tomorrow
Only love tells me why
You're my heart's desire
You're the end of the love
Reaching out to the fire
Fly on the wings of a dove
Dove...dove...dove...dove
You're my heart's desire
You're the end of the love
Reaching out the fire
Fly on the wings of a dove
Dove...dove...dove...dove
