Kiss, Ain't Quite Right

You were standin' and I was thinkin' Of all the time that I spend hangin' around Situation could only get better I got closer to see what I found In the mornin', movin' easy Everything seems so right But when the night comes, I've been dreamin' Dreamin' 'bout leavin' you one more time Girl, you gave me good love But it ain't quite right Mmm, no, I won't tell you That you're the only one for me And I'd be a liar if I promised I could give you every single thing you ever need You gave me good love But it ain't quite right Yeah, you gave me good love But it ain't quite right, mmm Lookin' back now seems so easy You were the best thing ever happened to me I can't complain It was worth every minute we had 'Cause, you gave me good love But it ain't quite right Yeah, you gave me good love But it ain't quite right
