

# Kiss, Because I Am A Girl (English Version)

I just can't understand the ways  
Of all the men and their mistakes  
You give them all your heart  
And then they rip it all away

You told me how much you loved me  
And how our love was meant to be  
And I believed in you  
I thought that you would set me free

(REFRAIN):  
You should've just told me the truth  
That I wasn't the girl for you  
Still, I didn't have a clue  
So my heart depended on you, whoa

(CHORUS):  
Although I'll say I hate you now  
Though I'll shout and curse you out  
I'll always have love for you  
Because I am a girl

Been told a man will leave you cold  
Get sick of you and bored  
I know that it's no lie  
I gave my all, still I just cry

Never again will I be fooled  
To give my all when nothing's true

I won't be played again  
But I will fall in love again

(REFRAIN)

(CHORUS)

I loved you so  
Now you leave me in the cold  
How could this be  
I thought that you'd only love me

Into the night  
I will pray that you're alright  
You hurt me so  
I just can't let you go

You took advantage of my willingness  
To do anything for love  
Now I'm the only one in pain  
Will you please take it all away

Never thought being born a girl  
How I can love you and be burned  
And now I will build a wall  
To never get torn again

(CHORUS)
