

Kiss, Hell Or Hallelujah

I rode the highway to heartache
I took a trip on the ship of fools,
Woah yeah!
And I've paid the price to have my way
Cause my way breaks the rules, yeah!

Sing it!
Lay down!
I'm looking through ya'
Stay down!
You got what you should
Hey now!
I'll make you number one, it feels good!

Hell or hallelujah!
No matter what you do,
I'm running through ya'
Yeah!

You said that lust never lasted
We surrender our hearts to fools, yeah!
Turns out there's nobody askin'
This time I get to choose!
Lemme hear ya!
Lay down!
Don't say you're sorry
Stay down!
I knew that you would
Hey now!
Don't say you're misunderstood, it feels good

Hell or hallelujah!
No matter what you do,
I'm running through ya'
One more time!
Hell or hallelujah!
C'mon c'mon
The rest is up to you
It's overdue, yeah

Listen!
One heart is breakin'
One chance I'm takin'
No lie, no fakin'
Goodbye, feels like it should!
It feels good!

Oh, yeah!

Hey, one heart is breakin'
One chance I'm takin'
No lie, no fakin'
Goodbye, feels like it should!

Yeah, lemme tell ya' how it feels... it feels good!

Hell or hallelujah!
No matter what you do,
I'm running through ya'
C'mon c'mon
Hell or hallelujah!
The rest is up to you
It's overdue, yeah
