

# Kiss, It Never Goes Away

Want it  
You can have it  
Come and take it  
I don't need it

Power and possessions  
Never quiet your obsessions  
Outside, we search for something  
Inside, we still have nothing

People deep in trouble  
Let their money run for double  
Outside, they search for something  
Inside, they still have nothing

It never ends  
There's nothing I can do  
There's nothing I can say  
And even if I could  
And even if I would  
It never goes away  
Yeah

Heartless rich and greedy  
Watch the churches rape the needy  
While we pray for salvation  
Preachers yield to temptation

It never ends  
There's nothing I can do  
There's nothing I can say  
And even if I could  
And even if I would  
It never goes away

There's nothing I can do  
There's nothing I can say  
And even if I could  
And even if I would  
It never goes away

Blinded believers and doomsday deceivers  
Are driving you out of your head  
Look in the mirror, the answer is near  
Though your sanity hangs by a thread

There's nothing I can do  
There's nothing I can say  
And even I could  
And even I would  
It never goes away

There's nothing I can do  
There's nothing I can say  
And even if I could  
And even if I would  
It never goes away
