

Kiss, It's My Life

I gotta reputation,
People know who I am.
Rules are made to be broken,
Can't kill what you don't understand.
I see you runnin' scared,
I never knew you cared.
Go and hide yourself in the sand.

Been to hell and back.
I survived and that's a fact.

(Chorus)
It's my life.
And I'll do what I wanna
Do what I wanna,
Do what I like.
It's my life
And I'll do what I wanna,
Do what I wanna - do.

My New Year's resolution,
Is always the same.
Gonna do what I like,
We're gonna do what I want,
Cause it's just my way,

Yeah!
I don't live for tomorrow,
Cause at the end of the day.

Gonna shout it, from the roof.
Betta face up to the truth.

(Chorus)(Repeat twice)

Ooh yeah!

(Break)

Don't need a invitation,
I don't play hard-to-get.
No!
Well I'm fame they claim,
I can't be tamed.
Ya know it doesn't matter.
I swear if I like,
I wear what I want.

(Chorus) (Repeat five times)
