

Kiss, Killer

Her love is a gun, her love is a blade, she's a killer
Bitch is insane, she deals in pain, she's a killer
Ooh, she'll cut you clean, then she'll watch you bleed
So obscene, she's what I need, she loves to hear me scream
Black lace, stiletto heels, she's a killer
Crack the whip, submission trip, she's a killer
Ooh, cat in heat, mistress of deceit
Nerves of steel, her next meal, she's searching for the meat
She's a killer, stone cold killer, killer, stone cold killer

Watch out for your jugular vein, she's a killer
Animal with a twisted brain, she's a killer
Ooh, she guarantees you'll suffer with desire
Wicked queen, night machine,
she'll make you walk through fire
Killer, run for your life, killer, will she bite
Killer, run for your life, killer, will she bite,
suck your blood tonight

Killer, stone cold killer, she's a killer, stone cold killer
Killer, stone cold killer, she's a killer, stone cold killer
She's a killer, she's a killer, stone cold killer
She's a killer, stone cold killer, she's a killer
