

Kiss, King Of The Mountain

Come on
I'm gonna climb the mountain
I'm gonna hit the top
I wanna go where nobody's ever been
I'm never gonna stop
I'm gonna reign, I'm gonna shine
I'm gonna beat the ground
I'm gonna shoot through the night like a shot gun
I'm gonna get on down, I wanna get on down

I'm the king of the mountain, I'm the king of the mountain

Listen, don't try to save my soul from destruction
I'm never gonna fall
Don't try to give me a piece of the action
I'm gonna take it all
All the kings horses, all the kings men
We're gettin' crazy again and again
Make up your mind, it's time we get goin'
We're gonna get on down, we're gonna get on down

I'm the king of the mountain, I'm the king of the mountain
I'm the king of the mountain, I'm the king of the mountain
Yeah, now
Oh, yeah, king of the mountain
Say it, king of the mountain
I'm the king of the mountain, I'm the king of the mountain, yeah
I'm the king of the mountain
And the winner takes it all, let's go, let's go, let's go
