

# Kiss, Kiss - Without You

As I sit here and think  
about all that I'm missing  
all that I'm missing  
I've got everything that  
I could ever ask for but you  
all my past time is spent  
wondering how you've been  
wondering how you've been  
but the more that you're on my mind  
I'm just lonely and blue can't you see  
Why can't you be with me to hold me tight?  
Just being with you will make everything better and bright  
I wanna have you by my side  
you always make it right  
And without you my heart starts to cry  
How will I ever go on?  
how will I stay strong?  
Do you see without you, my soul dies?  
I stayed up all night  
remembering what we had  
remembering what we had  
And I can't sleep a wink  
cuz thinking of you makes me sad  
yes you do  
I can't seem to shake you off my mind  
Just wanna go back in time to just press rewind  
I wanna have you by my side  
you always make it right  
And without you my heart starts to cry  
how will I ever go on?  
how will I stay strong?  
Do you see without you, my soul dies?  
You're all that I want  
you're all that I need  
So why don't you come back baby please  
I want to have you by my side  
you always make it right  
And without you my heart starts to cry  
how will I ever go on?  
how will I stay strong?  
Do you see without you, my soul dies?  
I wanna have you by my side  
you always make it right  
And without you my heart starts to cry  
How will I ever go on?  
how will I stay strong?  
Do you see without you, my soul dies?
