

# Kiss, Ladies In Waiting

So you been to the market  
And the meat looks good tonight  
And the ladies in waiting  
Will show you what it's all about

Their selection is inviting  
They sure look hot tonight  
And the ladies in waiting  
Will show you what it's all about

And so you move on down the line  
All the ladies are lookin' fine, so fine  
Ladies in waiting, ladies in waiting, ladies in waiting

So you move on down the line  
All the ladies are lookin' fine

Their selection is inviting  
They sure look hot tonight  
And the ladies in waiting  
Will show you what it's all about

And so you move on down the line  
All the ladies are lookin' fine, so fine  
Ladies in waiting, ladies in waiting, ladies in waiting  
Ladies in waiting, ladies in waiting, ladies in waiting  
Ladies in waiting, ladies in waiting, ladies in waiting  
Ladies in waiting
