

Kiss, Take It Off

Well my mind is gettin' dirty
yeah around eleven thirty, uh huh
I wanna watch some asses shakin'
to the noise the boys are makin', uh huh
Ooh, so I hop into my car,
hit the local titty bar, uh huh
'Cause that's my kind of situation
when I need some perspiration, uh huh
I do my one-step shoppin' for the girl of my dreams
'Cause I can always be sure
that she's as good as she seems
Take it off, give it to me
Take it off, like you'd do me
I wanna see what's inside,
'cause you got nothin' to hide
Take it off, pretty baby
Take it off, drive me crazy
You know you make me so hot,
I wanna see what you got
Take it off, yeah!
Wave your panties in the air,
lick your lips and shake your hair, uh huh
Ooh, when you spread a little oil,
yeah, my blood begins to boil, uh huh
Yeah, it's so hard to choose,
when you all look so fine
But I got nothin' to lose
but my money and my mind

Take it off, give it to me
Take it off, like you'd do me
I wanna see what's inside,
'cause you got nothin' to hide
Take it off, pretty baby
Take it off, drive me crazy
Ooh, take it off, drive me crazy
You know you make me so hot,
I wanna see what you got
yeah! Take it off!

(Instrumental break)

Ooh, move your sweet body closer
(I want to be alone with you)
Yeah, come on and be my fantasy
(there's so much you and I could do)
Oh, you're so near I can taste you
(you're teasin' me, yeah you're pleasin' me)
(Ahh) I know you're dancin' just for me,
just for me, just for me

Take it off, pretty baby
Take it off, drive me crazy
You know you make me so hot,
I wanna see what you got pretty baby
Take it off, give it to me
like you'd do me
Girl, you got nothin' to hide, now lemme see what's inside
Take it off! Take it, take it, take it off! Yeah!
