Kiss, Tomorrow And Tonight

Ow
Everybody's high when the week is through
Every night they wish they could
Listenin' to the teacher, bosses and the preachers
Ain't never done nobody good

Are you happy, baby, I've been waitin'
Are you ready, it's quarter to ten
Are you comin', don't be hesitatin'
'Cause we're headed for the city again

Tomorrow and tonight, tomorrow and tonight
We can rock all day, we can roll all night
Tomorrow and tonight, tomorrow and tonight
Oh yeah, aha, alright

Workin' like a dog, baby all day long
Tell you what I'm gonna do
Take it in the cellar, let me be your fella
I'm gonna teach you somethin' new

Are you happy, baby, I've been waitin'
Are you ready, to do it again
Are you comin', now don't be hesitatin'
'Cause you know the night is never gonna end

Tomorrow and tonight, tomorrow and tonight
We can rock all day, we can roll all night
Tomorrow and tonight, tomorrow and tonight
Oh yeah, aha, alright, whoo

I love it
Tomorrow and tonight, tomorrow and tonight
We can rock all day, we can roll all night
Mmm, tomorrow and tonight, tomorrow and tonight
Oh yeah, aha, alright

Tomorrow and tonight, tomorrow and tonight
We can rock all day, we can roll all night
Tomorrow and tonight, tomorrow and tonight
We can rock all day, we can roll all night

Tomorrow, tomorrow, whoo, tonight
We can rock all day, we can roll all night
Tomorrow, (tonight), tomorrow, tonight
We can rock all day, we can roll all night

Tomorrow, (come on), tomorrow, tonight, whoo
We can rock all day, we can roll all night
Tomorrow, (come on), tomorrow, tonight, whoo
We can rock all day, we can roll all night

Tomorrow and tonight, tomorrow and tonight
We can rock all day, we can roll all night
Tomorrow and tonight, tomorrow and tonight
We can rock all day, we can roll all night

Tomorrow, whoo, tomorrow, tonight, yeah
We can rock all day, we can roll all night
Tomorrow, tomorrow, yeah, tonight, yeah
We can rock all day, we can roll all night

Tomorrow, tomorrow, tonight, aha
We can rock all day, we can roll all night
