

Kiss, Tunnel Of Love

Well if you're lookin' for the best, then baby be my guest
I'm right before your eyes and I'm tellin' you no lies
You wanted my disease, you'll have to do as I please
You'll jump off the roof if I say, I won't let you get away
It must have been the devil in me, I don't know what else it could be
Tunnel of love, tunnel of love, let me visit your tunnel of love
Tunnel of love, tunnel of love, I've got to visit your tunnel of love
You're just a victimless crime, it happens all the time, yeah
You'll have an overstay, and your bill is my pay
You are the lock, I am the key, you know what you do to me
Tunnel of love, tunnel of love, let me visit your tunnel of love
Tunnel of love, tunnel of love, I've got to visit your tunnel of love
You are the lock, I am the key, you know what you do to me
Tunnel of love, tunnel of love, let me visit your tunnel of love
Tunnel of love, tunnel of love, I've got to visit your tunnel of love
