

# Kiss, Tunnel Of Love

Well if you're lookin' for the best, then baby be my guest  
I'm right before your eyes and I'm tellin' you no lies  
You wanted my disease, you'll have to do as I please  
You'll jump off the roof if I say, I won't let you get away  
It must have been the devil in me, I don't know what else it could be  
Tunnel of love, tunnel of love, let me visit your tunnel of love  
Tunnel of love, tunnel of love, I've got to visit your tunnel of love  
You're just a victimless crime, it happens all the time, yeah  
You'll have an overstay, and your bill is my pay  
You are the lock, I am the key, you know what you do to me  
Tunnel of love, tunnel of love, let me visit your tunnel of love  
Tunnel of love, tunnel of love, I've got to visit your tunnel of love  
You are the lock, I am the key, you know what you do to me  
Tunnel of love, tunnel of love, let me visit your tunnel of love  
Tunnel of love, tunnel of love, I've got to visit your tunnel of love
