Kiss, You Wanted The Best

Make-Up or break up - 'cause we've seen better days (Yeah) They'll have to drag you kickin' & Don't do me favors - don't show your face Don't tell me not to play 'cause its not your place

The fans wanted us to play - We hear & Deey You Wanted The Best & Deey You Got The Best

Don't give me glances - don't give me lies Don't give me sweet talk - the beat just testifies Hey- you live in fairy tales - Your just a fallen star (Right) Well, who died & mp; made you king, just who do you think you are?

Everything's gotten way out of hand - but your wish is our command You Wanted The Best & Do Got The Best
