Kisschasy, Hey Jealousy

Tell my if you think it'd be alright
If i could just crash here tonight
You can see i'm in no shape for driving
Anyway i've got no place to go

And you know that it might not be that bad
You're were the best i've ever had
If i hadn't blown the whole thing years ago
I might not be alone

Tomorrow we can drive around this town
Let the cops chase us around
The past is gone but something might be found
To take it's place

Hey Jealousy (x4)

And you can trust me not to think
And not to sleep around
And if you don't expect too much from me
You might not be let down

Cause all i really want is to be with you
Feeling like I matter too
If i hadn't blown the whole thing years ago
I might be here with you

Tomorrow we can drive around this town
Let the cops chase us around
The past is gone but something might be found
To take it's place

Hey Jealousy

Tomorrow we can drive around this town
Let the cops chase us around
The past is gone but something might be found
To take it's place

Hey Jealousy (x4)

Just tell my if you think it would be alright
If i could just crash here tonight
You can see i'm in no shape for driving
Anyway i've got no place to go

And you know that it might not be that bad
You're were the best i've ever had
If i hadn't blown the whole thing years ago
I might not be alone

Tomorrow we can drive around this town
Let the cops chase us around
The past is gone but something might be found
To take it's place

Hey Jealousy

Hey Jealousy
Yeah she took my heart
There's only one thing i couldn't start
