

Kitty Wells, Amigo's Guitar

Amigos Guitar

Tonight theyre singing in the villas
Tomorrow youll be gone so far
Hold me close and say you love me
While amigo plays his blue guitar

Chorus:

Aye Yi aye yi the moon is glowing
Tomorrow Ill wonder where you are
Mon yon and walk with me my darling
Ill be blue as amigos guitar

They heard the singing in the villas
All is well beneath the stars
Amigo plays Hasta Luego
Upon his lonely blue guitar

Repeat Chorus
