

Kitty Wells, As Usual

The sun comes up and brings the dawn as usual

When I awake I'll find you're gone as usual

But I can't find a way to let this crazy heart of mine forget

I pretend you're still beside me as usual

Each evening I take a walk as usual I make believe that we still talk as usual

People always stop and stare I guess they just don't see you there

Don't they know you'll always be right here as usual

Today I looked into my mirror as usual I told myself that you're still here as usual

And as I stood there telling lies the tears began to fill my eyes

Cause I know I'm only fooling myself as usual

Cause I know I'm only fooling myself as usual
