

# Kitty Wells, Easy Part's Over

The easy part's over now it's time to cry the easiest part of all was saying goodbye  
The easy part's over now and you are gone now comes the hardest part living alone  
Time is the only friend that I have left here with me  
But can those healing hands of time erase your memory  
The easy part's over now we've come to the end  
The easy part's over now and the hard part begins  
Time is the only friend...
