

Kitty Wells, I Can't Seem To Say Goodbye

Gone is the sunshine we knew once before now we're just living a lie
But when it comes time dear to walk out the door well I can't seem to say goodbye
I can't say it's all right dear we'll make it somehow let me hold you try not to cry
I can whisper I love you till the day that I die but I can't seem to say goodbye
[piano - steel]
I can't say it's all right...
But I can't seem to say goodbye
