

Kitty Wells, I'm Gonna Change Everything

I'm gonna start with the hall take the pictures off the wall and burn 'em
Move the chairs around take the window curtains down and burn 'em
Everything I see reminds me you were here
Yeah I'm gonna change everything that holds a mem'ry of you oh yeah
The candle of your set you gave me on the night of my birthday
The records that you bought the hi-fi we loved to play
The decorating man will come and rearrange them
Yeah I'm gonna change everything that holds a mem'ry of you oh yeah
Take the carpet off the floor throw it out the door it's filled with tears
Everything I find that bring you to my mind must disappear
Every night I dream I'll dream of someone new
Yeah I'm gonna change everything that holds a mem'ry of you
Yeah I'm gonna change everything that holds a mem'ry of you
