

Kitty Wells, Sinner Kneel Down And Pray

If from the past you have gone astray and at times you cannot see the way

Can't you hear the Lord he's calling you today oh sinner kneel down and pray

Oh sinner just kneel and pray the Lord will hear your prayer today

Oh sinner kneel down and pray pray to the Lord your soul will be saved

[piano]

You may not have a friend in our wicked world of sin

If you turn to Jesus he'll take you in

Won't you listen to me just listen when I say oh sinner kneel down and pray

Oh sinner just kneel and pray...
