

# Kitty Wells, Slowly

Slowly I'm falling more in love with you slowly you're winning a heart that can be true

Now I can't hide my feelings for it's so plain and true

Slowly I'm falling more in love with you

More and more I need you and want you by my side

More and more I love you as each day passes by

No need to hide my feelings for it's so plain and true

Slowly I'm falling more in love with you
