

Kitty Wells, Walk Through This World With Me

Walk through this world with me go where I go

Share all my dreams with me I need you so

In life we search and some of us find I've looked for you a long long time

And now that I found you new horizons I see

Come take my hand and walk through this world with me

[ac.guitar]

Walk through this world with me go where I go

Share all my dreams with me I've searched for you so

And now that I found you new horizons I see

Come take my hand and walk through this world with me

Come take my hand and walk through this world with me
