

Kj-52, It Aint Easy

Somedays it sure ain't easy
Waking up and bein Tweezy
I'm goofy, tall, and skeeny
They say I rap to cheesy
But I'm used to losing
Used to dudes just booing
But I'm thinkin about just suing
VH1 they got me ruined
Oh you think I'm foolin
What would you be doin
They said they loved your music
And they was like you rock John Reuben
They think I'm kiddin
When I say I rap for a livin
