

# Kj-52, It Aint Easy

Somedays it sure ain't easy  
Waking up and bein Tweezy  
I'm goofy, tall, and skeeny  
They say I rap to cheesy  
But I'm used to losing  
Used to dudes just booing  
But I'm thinkin about just suing  
VH1 they got me ruined  
Oh you think I'm foolin  
What would you be doin  
They said they loved your music  
And they was like you rock John Reuben  
They think I'm kiddin  
When I say I rap for a livin
