

Kj-52, Pick Yours Up

No matter what your dealing with
No matter what your going through
Ya can't stay stuck there
You got to pick yourself up
God will give you the strength to do it
Come on

(chorus)

You've gotta pick yourself up
(come on)
You've gotta pick yourself up
(you gotta pick yourself up)
You've gotta pick yourself up
If you fall down get yourself up
(if you fall down, get up)

do you realize how much He's thinking of you? (how much)
no matter what you did (naw)
no matter where you been (no matter)
you can start over
you can get a second chance again (a second chance)
there's no sin just small or even just to big for Him (naw, no there's nothing)
