

# Klaatu, Calling Occupants Of Interplanetary Craft

"Calling Occupants Of Interplanetary Craft"  
(The Recognized Anthem of World Contact Day)

In your mind you have capacities, you know  
To telepath messages through the vast unknown  
Please close your eyes and concentrate  
With every thought you think  
Upon the recitation we're about to sing

Calling occupants of interplanetary craft  
Calling occupants of interplanetary  
Most extraordinary craft

You've been observing our Earth  
And we'd like to make a contact with you  
We are your friends

Calling occupants of interplanetary craft  
Calling occupants of interplanetary  
Ultra-emissaries

Yes, we've been observing your Earth  
And one night we'll make a contact with you  
We are your friends

Calling occupants of interplanetary  
Quite extraordinary craft

And please come in peace we beseech you  
Only a landing will teach them  
Our Earth may never survive  
So do come, we beg you  
Please interstellar policeman  
Won't you give us a sign  
Give us a sign that we've reached you

With your mind you have ability to form  
And transmit thought energy  
Far beyond the norm  
You close your eyes, you concentrate  
Together, that's the way  
To send the message  
We declare World Contact Day

Calling occupants of interplanetary craft  
Calling occupants of interplanetary  
Most extraordinary craft

We are your friends
