Klaatu, Cherie

"Cherie" (Dee Long)

You're the answer to my question You're the theme of my every whim You're the highlight of my invention Tell me whether I sink or swim.

Chrie be my Chrie Marry me my Chrie ...

In the twilight come to my light Chase the dark away when it comes Chrrie won't you stand to my right Have our memories just begun?

Chrie be my Chrie Marry me my Chrie ...

Everything's ours if we want it together Everything's here if we want it to be Come bring me flowers and bring me a feather I'll bring you present and bring you your tea.

Chrie be my Chrie Marry me my Chrie.
