

Klaatu, Set The World On Fire

"Set The World On Fire"
(John Woloschuk)

Well the other night my automobile broke down on the road
I had to walk a mile before I found a telephone
I said, hello operator, your phone just ate my dime
A tape machine said, sorry sir and then hung up the line
Did you ever wanna shout
I'm not gonna take it anymore, yeah
But you never get it out
You're too busy crawling back for more .

Gonna set the world on fire (gonna set the world on fire)
Gonna stand and watch it burn (gonna set the world on fire)
Gonna get my heart's desire (gonna get my heart's desire)
And I don't care who get hurt (gonna set the world on fire)

Fire

On Friday afternoon I went to get my paycheque cashed
I needed money badly with the weekend comin' fast
I line up for an hour, but when my turn arose
The teller said, I'm sorry sir, this wicke't just been closed
Did you ever wanna shout
I'm not gonna take it anymore yeah
But you never get it out
You're too busy crawling back for more .

Gonna set the world on fire (gonna set the world on fire)
I'm gonna stand and watch it burn (gonna set the world on fire)
I'm gonna get my heart's desire (gonna get my heart's desire)
And I don't care who get hurt (gonna set the world on fire)

Fire.

SOLO

Ah Don-cha ever wanna shout
I'm not gonna take it anymore, yeah
Go ahead and let it out
I'm fed up with crawling on the floor .

So you had one of those nights
When you can't do nothin' right
An your luck's been runnin' bad
An it makes you kinda mad
When everybody say ... don't let your frustrations
Get the best of you use a little patience
And they'll melt like morning dew , oh

(gonna set the world on fire)
I'm gonna stand and watch it burn (gonna set the world on fire)
I'm gonna get my heart's desire (gonna get my heart's desire)
And I don't care who get hurt (gonna set the world on fire)

Fire.
