

Klara, Enchanted

I see the sky and cloudy circles
Oh, let me stay, let me stay, let me stay
Blueberries in your rose garden
Don't let me hear,
Don't let me hear,
Don't let me hear
Oh, please I have to go tomorrow
And pack my bags, pack my bags, pack my bags
Flowers singing songs are smelling
Like your shirt, like your shirt
Like your shirt

I don't know walking alone in the dark
Someone will get me, someone take me home
I don't know worrying alone in my bed
Someone will get me, someone take me slow
/2x

Sometimes you see me so enchanted
Infairytale, infairytale, infairytale
Blueberries in your rose garden
Don't let me hear
Don't let me hear
Don't let me hear
Oh, please I have to go tomorrow
And pack my bags, pack my bags ,pack my bags
I was singing since I am smelling
Like your shirt, like your shirt
Like your shirt

I don't know walking alone in the dark
Someone will get me, someone take me home
I don't know worrying alone in my bed
Someone will get me, someone take me slow
