

Klark Kent, Strange Things Happen

Strange things happen to a man on the road
Strange things happen to a man who's alone
Doesn't matter where you come from
Doesn't matter where you wanna go
Doesn't matter if you're on your way home
Doesn't matter who you know
Strange things happen to a man on the road
Strange things happen to a man who's alone

Back home you gotta solid life
That life don't mean a thing out here
Back home you gotta loving wife
She can't hear you calling out here

Strange things happen
Strange things happen

Strange things happen that you never heard about at home

Doesn't matter where you come from
Doesn't matter where you wanna go
Doesn't matter if you're on your way home
Doesn't matter who you know
Strange things happen to a man on the road
Strange things happen to a man who's alone

Strange things happen
Strange things happen
Strange things happen that they never told about at home
