

# Klaxons, 4 Horsemen Of 2012

Oww!

Theres a halfman, half horse, who still runs through my thoughts as he rides on a flame in the sky

He comes through the centuries with me on his engines. The kids and the cats watch him fly.

Please catch that half horse as he murders my thoughts with the fragments of flames anyway

Halfman, halfhorse as he rides on a flame in the sky

Fooooour hooooorse meeeen tweeeentyyy

Klaxons not centaurs! (ooow)

Wont you please catch that horse as he murders my thoughts. Im left with the fragments and flame
