

# Klaxons, A New Reality

We have only the dream  
To see what you wanted to be  
We have only the dream  
To see what you wanted to be

Remember when you dreamed  
To see the way you wanted to be  
Remember when you dreamed  
To see the way you wanted to be  
/4x

We're the masters of illusion  
In a time of dark confusion  
There's a lot of things I don't know  
But I feel the forces that flow

There's a lot of love around  
Gotta feel from my head to the ground  
There's a lot of love to show  
Now I found the time to let go

Remember when you dreamed  
To see the way you wanted to be  
Remember when you dreamed  
To see the way you wanted to be
