

# Klaxons, Gravity's Rainbow

Come on with me through ruined liplock  
Accross Tangian deserts we'll flock  
Madcap Medusa flank my foghorn  
We'll change four seasons with our first born.

All ships of sense on hyper ocean  
All kinds of chaos still in motion  
My culture vulture such a dab hand  
I'll steal you from the year 4000

Come with me, come with me  
We'll travel to infinity  
Come with me, come with me  
We'll travel to infinity  
I'll always be there  
Uh-oh my future love  
I'll always be there  
For you, my future love

Your tears leave trails of Tick fall blur room  
Autonoma the room is bloom groom  
Those crippled lines that I can't get to  
Could steer through time but i won't let you

Come with me, come with me  
We'll travel to infinity  
Come with me, come with me  
We'll travel to infinity  
I'll always be there  
Uh-oh my future love  
I'll always be there  
For you, my future love

Come with me, come with me  
We'll travel to infinity  
Come with me, come with me  
We'll travel to infinity  
I'll always be there  
Uh-oh my future love  
I'll always be there  
For you, my future love

Come with me, come with me  
We'll travel to infinity  
Come with me, come with me  
We'll travel to infinity  
I'll always be there  
Uh-oh my future love  
I'll always be there  
For you, my future love

Come with me, come with me  
We'll travel to infinity  
Come with me, come with me  
We'll travel to infinity  
I'll always be there  
Uh-oh my future love  
I'll always be there  
For you, my future love
