

Klee, This Is For Everyone (English Version)

This is for everyone
Who realize
That in the sorrow of sadness
A beauty lies

This is for everyone
This is for everyone
This is for everyone
This is for everyone

This is for everyone
Who makes amends
With the freedom from freedom
As a means to an end

This is for everyone
Who gives from the soul
With romance and passion
To make your life whole

This is for everyone
This is for everyone
This is for everyone
This is for everyone

This is for everyone
Who knows the truth
That every outcome
Must not be the rule

This is for everyone
Who knows the score
That life is too short
Not to risk more
That life is too short
Not to risk more
Not to risk more

This is for everyone
This is for everyone
This is for everyone
This is for everyone

This is for everyone
Who knows the truth
That every outcome
Must not be the rule

This is for everyone
This is for everyone
This is for everyone
This is for everyone

This is for everyone
Who knows the score
That life is too short
Not to risk more
