

KMFDM, Adios

It's been too many times
that I stuck out my neck for you
It's been too many times
that I spoke my mind to you
It's been too many times
That I caught all the flak from you
Apathetic crap is all I can find in you

I don't want no part in this
I don't feel the need to score
Burnt all bridges
Closed my heart
I don't want to be a part
No more

Dosvidaniya Ciao Adieu
Hasta la vista I'm on my way
Goodbye Sayonara
Auf nimmerwiedersehen
Over and out
And down the drain

It's been too many times
that I raised my voice at you
It's been too many times
that I walked the line with you
It's been too many times
that I've had no choice but you
Hypocritical swine I have had it this time
Thank you...
