KMFDM, Attak Reload

Watching you Floodlights seal your fate

Shallow breath

Quick pulse

Navigate

All this waiting, waiting

Contemplating you

Pure adrenaline emergency

You've been searching for signs now the truth has

Arrived

State control

Attak/reload

Theoretical illusory

Volunteer to the ultimate system of life

Brace the blow

Attak/reload

Molecular breakdown mutate below

Cause and effect to react and explode

Static rush

Gravitational pull delirium

Close my eyes

Hear what you say

Got the guns

The power to take

Bomb the one

The one that slipped away

Temper tantrum you communicate

It's your nature to be cold

Automatic how you operate

system failure

brain control
