

# KMFDM, Spiritual House

Really shake your body against the brain  
In a spiritual house tune in today  
Best after dark  
In a spiritual house  
That's my sweetheart  
In a spiritual house

We only have a silent voice  
In a spiritual house  
Emotions and no reasons  
In a spiritual house

Are you gonna have you a brother?

Much like wittle bunny rabbits  
Much like wittle bunny rabbits  
In a spiritual house

Beyond success and failure  
Watch your t.v. all night  
Watch your t.v. all night  
In a spiritual house

The more tears you shed  
In a spiritual house  
Being boring  
Being boring  
Spiritual house  
In a spiritual house

Are you gonna have you a brother?

Much like wittle bunny rabbits  
Much like wittle bunny rabbits  
In a spiritual house

Are you gonna have you a brother?

Are you gonna have you a brother?  
In a spiritual house

Spiritual house
