

KMFDM, Spiritual House

Really shake your body against the brain
In a spiritual house tune in today
Best after dark
In a spiritual house
That's my sweetheart
In a spiritual house

We only have a silent voice
In a spiritual house
Emotions and no reasons
In a spiritual house

Are you gonna have you a brother?

Much like wittle bunny rabbits
Much like wittle bunny rabbits
In a spiritual house

Beyond success and failure
Watch your t.v. all night
Watch your t.v. all night
In a spiritual house

The more tears you shed
In a spiritual house
Being boring
Being boring
Spiritual house
In a spiritual house

Are you gonna have you a brother?

Much like wittle bunny rabbits
Much like wittle bunny rabbits
In a spiritual house

Are you gonna have you a brother?

Are you gonna have you a brother?
In a spiritual house

Spiritual house
In a spiritual house

Much like wittle bunny rabbits
Much like wittle bunny rabbits
In a spiritual house
