

KMFDM, Tohuwabohu

Ask no questions hear no lies
There's no smoke without a fire
Fortune always favors the bold
First deserve then desire
All that glitters is not gold

Ex nihilo (out of nothing)
Alea iacta est (the die has been cast)
Tohuwabohu!
Audeamus (let us dare)
Res ipsa loquitur (the thing speaks for itself)
Tohuwabohu!

Desperate diseases, desperate cures
An eye for an eye, a tooth for a tooth
Pride goes before the fall
All things will pass
After us the deluge
We shall not last
The die is cast

Ex nihilo (out of nothing)
Alea iacta est (the die has been cast)
Tohuwabohu!
Audeamus (let us dare)
Res ipsa loquitur (the thing speaks for itself)
Tohuwabohu!

Ex nihilo (out of nothing)
Non omnis moriar (not all of me will die)
Tohuwabohu!
Audeamus (let us dare)
Non omnis moriar (not all of me will die)
Tohuwabohu!

The fairest flower soonest fades
The darkest hour's just before the dawn
A friend to all's a friend to none
You never know what you've got
You never know until it's gone

Tohuwabohu!
