

# KMFDM, Tohuvabohu

Ask no questions hear no lies  
There's no smoke without a fire  
Fortune always favors the bold  
First deserve then desire  
All that glitters is not gold

Ex nihilo (out of nothing)  
Alea iacta est (the die has been cast)  
Tohuvabohu!  
Audeamus (let us dare)  
Res ipsa loquitur (the thing speaks for itself)  
Tohuvabohu!

Desperate diseases, desperate cures  
An eye for an eye, a tooth for a tooth  
Pride goes before the fall  
All things will pass  
After us the deluge  
We shall not last  
The die is cast

Ex nihilo (out of nothing)  
Alea iacta est (the die has been cast)  
Tohuvabohu!  
Audeamus (let us dare)  
Res ipsa loquitur (the thing speaks for itself)  
Tohuvabohu!

Ex nihilo (out of nothing)  
Non omnis moriar (not all of me will die)  
Tohuvabohu!  
Audeamus (let us dare)  
Non omnis moriar (not all of me will die)  
Tohuvabohu!

The fairest flower soonest fades  
The darkest hour's just before the dawn  
A friend to all's a friend to none  
You never know what you've got  
You never know until it's gone

Tohuvabohu!
