Kobra And The Lotus, Dont Talk to Strangers

Don't talk to strangers Cause they're only there to do you harm Don't write in starlight Cause the words may come out real Don't hide in doorways You may find the key that opens up your soul Don't go to Heaven cause it's really only Hell Don't smell the flowers They're an evil drug to make you lose your mind Don't dream of women cause they'll only bring you down

Hey you you know me you've touched I'm real I'm forever the one that lets you look and see and Feel me I'm danger - I'm the stranger

I, I'm darkness I'm anger I'm pain I, I'm a master The evil song you sing inside your brain Drive you insane Don't talk Don't let them inside your mind yeah Run away run away go

No no don't let them in your mind Protect your soul

Don't dance in darkness You may stumble and you're sure to fall Don't write in starlight Cause the words may come out real

Don't talk to strangers Cause they're only there to make you sad Don't dream of women Cause they'll only bring you down

Yeah Run away run away
