

# Kodaline, High Hopes

Broken bottles in the hotel lobby  
Seems to me like I just scared then I never feel you again  
I know it's crazy to believe in silly things  
It's not that easy

I remember it now  
When take me back to when we first —  
But I've only can blame myself for it  
And I excepted it know  
It's time to let it go  
Go out and start again  
It's not that easy  
But I got high hopes  
It take me back where we started  
high hopes  
When you go out  
And start again  
House, when all goes to the end  
The keeps spinning around
